Dine at Silver Spoon to capture the tastes of classic dishes

Silver Spoon is the newest dining destination in Anna Nagar, opened on 1st December 2018. It was launched by Khayoom Hussain, a veteran restaurateur of Sathars Restaurant and Rice 'n' Spice fame, who has been in the business for more than 30 years.

The food at Silver Spoon captures the classic dishes we grew up eating. With a live open kitchen and their bases and sauces made from scratch, they strive for a traditional yet modern touch. The restaurant's menu features a wide array of choices, including appetisers, vegetarian and meat entrees, snack foods, tandoori and Chinese selections, biryanis, rotis/naans and chef's special creations.

The establishment is dedicated to offering you the best in flavor, experience, and service every time you step through their doors! They also do home deliveries and cater to your off-site events. For the love of good times, great food and the simple pleasures of sharing a meal with friends, Silver Spoon is the perfect spot for you!
