A MESSAGE FROM THE GENERAL MANAGER

Season's greetings from Turyaa Chennai!

With the air filled with the Christmas spirit, we look forward to unfolding a season of happiness and cheer. A time for reflection, this is a month of gratefulness and appreciation. With COVID-19 still lurking, we, collectively, should be thankful for how far we have come and what we have overcome.

In December, our hearts grow tender with childhood memories and in spirit become a child again with the excitement of Christmas. And as we take on this last month of the year, I hope the child-like spirit will fill your hearts and homes with joy and wonder.

From our family to yours, have a very Merry Christmas and a happy New Year!

Sunil Tandon

CHRISTMAS TREE TRADITION

The history of Christmas trees goes back to the symbolic use of evergreens in ancient Egypt and Rome and continues with the German tradition of candlelit Christmas trees first brought to America in the 1800s. Just as people today decorate their homes during the festive season with pine, spruce, and fir trees, ancient peoples hung evergreen boughs over their doors and windows. In many countries it was believed that evergreens would keep away witches, ghosts, evil spirits, and illness.
